

ENCANTO

Birding *Tour*

Discover the magical Central Colombian ecosystem with its green mountains, mystical landscapes and the iconic coffee region.

TRUMAN
JOURNEYS

TRUMAN
JOURNEYS

Our coffee region, Tolima, Caldas, Quindío and Risaralda, has more than 1.000 bird species, some of them live in the forest of our National Tree: the Wax Palm Tree (*Ceroxylon quindiuense*).
